## Contract / Freelance Designer wanted

Posted by Jonas Altman (imported from previous forums) - 2004/02/28 00:33

---

We are a buying group in London of USA brands. Poised to launch our own mens casual wear immediately, we first seek to find someone with design capabilities who would like to join the venture, and or/ otherwise contract someone for freelance print / tshirt and line brand id.

if you'd like to learn more, send us your CV or link to work.

Thanks  
jonas
