
Opinions Wanted

Hi there,

I am doing some research into fashion books currently on the market (tips on helping you with your style or achieving a particular look).

If you have a few moments to spare, I would appreciate it if you could send me your thoughts on opinions on what is out there. For example, what do you think of the Trinny & Susannah books? Are they helpful and how could they be improved?

If you could email me at enquiries@stylisa.com with your thoughts, that would be great.

Many thanks and I look forward to hearing from you.

Kindest Regards,

Lisa Maynard-Atem.
