I run an online business selling handmade home accessories (<http://www.hunkydoryhome.co.uk>), demand for my products is increasing and I need to find someone who is able to make cushion covers on an occasional basis.

I am in the North East of England so you will need to be based in this area. You will need to be self employed and probably doing this type of work already since I am not in a position to take on an employee yet.

If you are interested or know of anyone who might be, please email me - hunkydory@f2s.com

Many thanks,
Alison
