
downloading the mood boards

Posted by danielafiss - 2005/12/28 00:24

Hi,
I love your moodboard, please advise how to download them.
thx
Daniela

Regrettably we do not allow this feature. It takes us hours and hours of time and money to create these moodboards. In time there will be a fee payable service to offer this facility to down load but at the moment they are for information purposes only.

Sorry I hope you understand

Jenny Holloway
