Hi,

Just wanted some more info about the store - what types of clothes are you showcasing? What is the catchment area like? What sort of clientele are you hoping to attract?

Hi

I'm interested in possibly putting some of our products into your store, please could you contact me with further details. If you have a look at our website www.cameron-addison.co.uk you can see the type of product we offer. It is however only the knitwear that is available to stores.

If you could contact me on cacontact@cameron-addison.co.uk with more info that would be great.

Best regards

Toria
