
Liberty lookin' for sample machines

Posted by van1 - 2006/03/08 10:35

Liberty's are looking for a sample machinest to help us produce a number silk/jersey nightwear pieces and swimwear samples for our showroom, on an ad hoc basis. To work either in our studio (if you have your own machine) or at home, approx 2-4 days a week during our sampling seasons.

The quality must be excellent as the samples will be shown to International Buyers.

Please ask all applicants to mail me at jwatson@liberty.co.uk.

If you have any more questions please contact.
