Hi Kirsty,

Thank you for getting in touch. I recieved your phone message yesterday, but was on the train, so I couldn't pick up the message. Yesterday I got home late too call you.

As we are a new company we would be looking for a freelance perston to work with us on a commission basis to start with, as it would be impossible to take on a full time person at this stage. We would love to in the future. We do fashion shows and need a smart, confident representative. I would be a brilliant experience, as the dress designs are very strong, unusual but wearable in vibrant colours, let's face it everybody loves a wedding. Our company is going places and you'll get so much out of it, we promise.

Duties would involve:

Liaising with magazine editors to get stories and features.

Writing articles about the company.

General marketing

Preparing press packs

Representing us at the UK Wedding Show and various other shows!

best wishes

Hope to hear from you Dawn@Kiereka.
