
Work experience

Posted by lucylobotomy - 2006/10/16 20:08

I'm in year ten in high school, and want to go into the fashion industry when I finish my education.

In May (21-25 I think) I am having my work experience placement.

The self-placement forms need to be handed in by the first of november.

Would anyone in either the Manchester, South/Mid Cheshire or Birmingham area consider taking me on for a week?

Thank you,

Lucy
xx

Hi why don't you do a profile about yourself and let's see if that attracts additional interest for the placement. Please send a picture and a bio about yourself to Jo lles our editor on editor@fashioncapital.co.uk

Regards

Jenny
