
Production Assistant wanted

Posted by Natascha Walker (imported from previous forums) - 2003/11/04 10:29

Young fashion ladieswear company is looking for a junior production assistant - possible graduate or 2nd jobber. To work alongside a design team of 6.

Must have a knowledge of sealing garments and writing/copying specs. Also an understanding of garment construction and cutting

No production. This is NOT a creative role.

Anyone with young fashion or a ladieswear background a plus.

~£15,500
