
sample machinist required

Posted by alexds - 2005/11/12 11:52

We are a small eveningwear / bridal company currently looking for an experienced and reliable sample machinist. We offer a friendly environment and an easy to reach location in London SE1. If interested, please email your details to us and we'll contact you.

Many thanks.

Alex

Do contact me with regard to this position if it is still vacant.

I look forward to hearing from you.

Warm regards
