Welcome to the Jobs Required board. If you are looking for a job or placement within the fashion industry and you haven't found anything on the Jobs Available board, then post your requirements here.

When making a posting, please use as descriptive a title as you can to describe your skills or the job that you are looking for. Then include as much information in the posting as you can. Include information about your skills, qualifications and experience, and your job requirements. Are you looking for part-time or full-time work? Are you looking for a position in a particular location? Also, be sure to include the appropriate contact information.

By providing as much information as possible, you are likely to get a much better match for what you want.
