
Machinist/Seamstress wanted

Posted by camelia - 2006/12/13 15:48

Opportunity has arisen for a competent machinist/seamstress to work on ladies clothing in North London. Experience of working in the evening wear, bridal or theatrical market is appropriate as work will involve boned corsets and bodices on a wide scale

The job can be done in unit or as outworker, hours to suit both parties
manufacturing unit is in Edmonton North London.

Interested parties please make initial contact via email sending detailed information of previous experience.

We are also open to applications from migrant workers

Please contact design team on the following email
